

# 2014 LLVM Developers' Meeting

Tanya Lattner, LLVM Foundation  
[tanyalattner@llvm.org](mailto:tanyalattner@llvm.org)

# LLVM Foundation

- An independent nonprofit dedicated to:
  - Supporting, promoting, and advancing LLVM open source development
  - Cultivating the LLVM community and supporting its infrastructure
  - Supporting LLVM and its sub-projects in research and academic communities

# LLVM Foundation Board

- Diverse board of active members of the community, representing both academic and commercial interests
- Current 2014 board:
  - Vikram Adve
  - Chandler Carruth
  - David Kipping (Treasurer)
  - Doug Gregor
  - Anton Korobeynikov
  - Chris Lattner (Secretary)
  - Tanya Lattner (President)
  - Alex Rosenberg
- Contact the board: [board@llvm.org](mailto:board@llvm.org)

# LLVM Foundation & You

- No changes to:
  - developer policy, licensing or copyright
  - code ownership
- Improved infrastructure:
  - web server, mailing lists, bugzilla, ...
  - improved developer meeting logistics
